**books
are the
mirrors
of the
soul**

**books
are the
mirrors
of the
soul**

**and in
that
moment,
I swear
we were
infinite.**

**We
are
made
of
star
stuff**

**Just
one
more
chapter**

**there is
no place
like
home.**

**we
were
made
for
another
world**

**everything
was
beautiful
and
nothing
hurt**

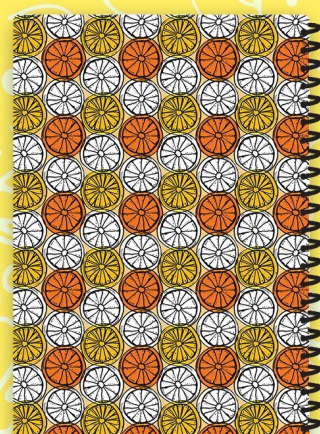

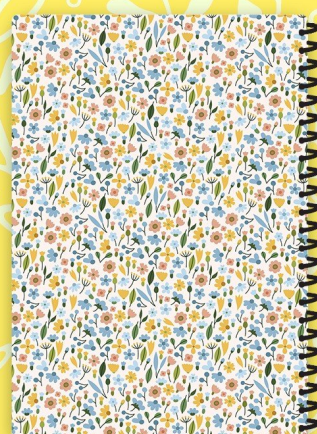

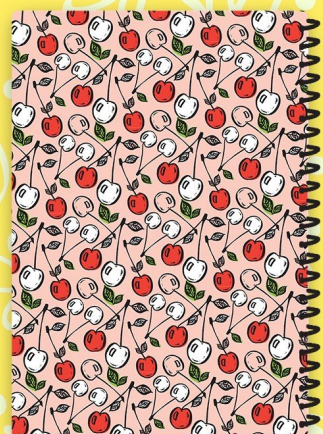

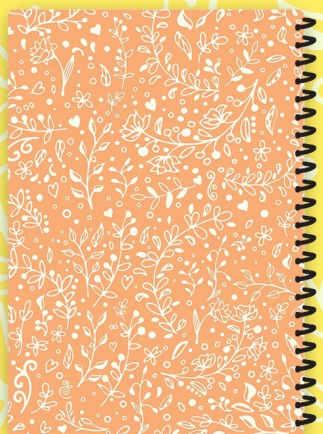

**in the
end,
we'll all
become
stories**

**I lived
in books
more than
I lived
anywhere
else**
